## *How do I know that my payment information is secure?*

Rest easy when making online purchases with us. We host our website with a premium wordpress provider called [WP Engine](#). WP Engine hosts WordPress sites exclusively so they understand the framework and the measures required to keep all of their websites safe and secure. If you would like to learn more please follow this link: [Secure WordPress Hosting on WP Engine](#).

## *Is my privacy protected when using your web site?*

Your privacy is assured at Miller Marketing. We never sell, lend or give away any information that you give to us. You are not tracked or monitored in any way, and we use the most up to date and robust security systems to assure safety.

There are valid reasons to be wary. We thank you for your trust in us and assure you that we make every effort to provide you with a safe experience.

## *Why do you use "cookies", and what are they?*

A cookie is a small piece of information that a web site uses to remember information about users. We use two types of cookies to recognize our visitors and remember shopping list items.

We use "transient cookies" to provide continuity from page to page. Within a single visit, these cookies store information such as your shopping list to simplify checkout. They do not contain any personally identifying information.

## *How can I stop you from contacting me?*
